

Please urge Sinclair to reconsider their decision to use the public airways to show the one-sided program, Stolen Honor. By law they must serve the public interest.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

If they insist on showing a one-sided program, please require them to show a program that balances Stolen Honor such as Going Upriver. Thank you.
